STATE OF ILLINOIS
The Religious Freedom Protection and Civil Union Act
Effective June 1, 2011

The Religious Freedom Protection and Civil Union Act ("the Act") creates a legal relationship between two persons of the same or opposite sex who form a civil union. The Act provides that the parties to a civil union are entitled to the same legal obligations, responsibilities, protections and benefits that are afforded or recognized by the laws of Illinois to spouses. The law further provides that a party to a civil union shall be included in any definition or use of the terms "spouse," "family," "immediate family," "dependent," "next of kin," and other terms descriptive of spousal relationships as those terms are used throughout Illinois law. This includes the terms "marriage" or "married," or variations thereon. Insurance policies are required to provide identical benefits and protections to both civil unions and marriages. If policies of insurance provide coverage for children, the children of civil unions must also be provided coverage. The Act also requires recognition of civil unions or same sex civil unions or marriages legally entered into in other jurisdictions.

For more information regarding the Act, refer to 750 ILCS 75/1 *et seq.* Examples of the interaction between the Act and existing law can be found in the Illinois Insurance Facts, Civil Unions and Insurance Benefits document available on the Illinois Department of Insurance's website at www.insurance.illinois.gov.

Utah:

1. If the **Sending Proof of Loss** provision provides a timeframe in which proof must be submitted before it affects Your claim, this time limitation shall not apply to You.

Vermont:

1. The following requirement applies:

Purpose: Vermont law requires that health insurers offer coverage to parties to a civil union that is equivalent to coverage provided to married persons.

Definitions, Terms, Conditions and Provisions: The definitions, terms, conditions or any other provisions of the policy, contract, certificate and/or riders and endorsements are hereby superseded as follows:

- 1) Terms that mean or refer to a marital relationship, or that may be construed to mean or refer to a marital relationship, such as "marriage", "spouse", "husband", "wife", "dependent", "next of kin", "relative", "beneficiary", "survivor", "immediate family" and any other such terms, include the relationship created by a civil union established according to Vermont law.
- 2) Terms that mean or refer to the inception or dissolution of a marriage, such as "date of marriage", "divorce decree", "termination of marriage" and any other such terms include the inception or dissolution of a civil union established according to Vermont law.
- 3) Terms that mean or refer to family relationships arising from a marriage, such as "family", "immediate family", "dependent", "children", "next of kin", "relative", "beneficiary", "survivor" and any other such terms include family relationships created by a civil union established according to Vermont law.
- 4) "Dependent" means a spouse, a party to a civil union established according to Vermont law, and a child or children (natural, stepchild, legally adopted or a minor or disabled child who is dependent on the insured for support and maintenance) who is born to or brought to a marriage or to a civil union established according to Vermont law.
- 5) "Child or covered child" means a child (natural, step-child, legally adopted or a minor or disabled child who is dependent on the insured for support and maintenance) who is born to or brought to a marriage or to a civil union established according to Vermont law.

CAUTION: FEDERAL LAW RIGHTS MAY OR MAY NOT BE AVAILABLE

Vermont law grants parties to a civil union the same benefits, protections and responsibilities that flow from marriage under state law. However, some or all of the benefits, protections and responsibilities related to health insurance that are available to married persons under federal law may not be available to parties to a civil union. For example, federal law, the Employee Income Retirement Security Act of 1974 known as "ERISA", controls the employer/employee relationship with regard to determining eligibility for enrollment in private employer health benefit plans. Because of ERISA, Act 91 does not state requirements pertaining to a private employer's enrollment of a party to a civil union in an ERISA employee welfare benefit plan. However, governmental employers (not federal government) are required to provide health benefits to the dependents of a party to a civil union if the public employer provides health benefits to the dependents of married persons. Federal law also controls group health insurance continuation rights under COBRA for employers with 20 or more employees as well as the Internal Revenue Code treatment of health insurance premiums. As a result, parties to a civil union and their families may or may not have access to certain benefits under the policy,

contract, certificate, rider or endorsement that derive from federal law. You are advised to seek expert advice to determine your rights under this contract.

Your group Disability benefits are:

Option 1: 50% of Your Pre-disability Earnings with a Maximum Monthly Benefit of \$9,375.00.

Option 2: 60% of Your Pre-disability Earnings with a Maximum Monthly Benefit of \$11,250.00.

Your Policy may have a reduction in monthly benefits after a certain time period. Please refer to Your certificate for full details on Your Benefit Percentage and any reductions, under the Schedule of Insurance.

Example of long-term Disability Benefit:

Your Pre-disability Earnings are \$2,000.00 per month and You are currently Disabled. Your group Disability Benefit Percent of Your Pre-disability Earnings is 60% with a Maximum Monthly Benefit of \$3,000.00. You are also receiving Social Security disability income of \$500.00 per month. The calculation of Your Benefit will be as follows:

$$\mathbf{\$2,000.00 \times 60\% = \$1,200.00 - \$500.00 = \$700.00}$$

Your net monthly group Disability Benefit is \$700.00.

If You would like a group disability policy which does not have other offset provisions, please contact an insurance agent or insurance company to purchase an individual policy.

ELIGIBILITY AND ENROLLMENT

Eligible Persons: *Who is eligible for coverage?*

All persons in the class or classes shown in the Schedule of Insurance will be considered Eligible Persons.

Eligibility for Coverage: *When will I become eligible?*

You will become eligible for coverage on the later of:

- 1) the Policy Effective Date; or
- 2) the date on which You complete the Eligibility Waiting Period for Coverage shown in the Schedule of Insurance, if applicable.

Enrollment: *How do I enroll for coverage?*

For coverage under Option 1, all eligible Active Employees will be enrolled automatically by the Employer.

For coverage under Option 2, You must enroll. To enroll for coverage You must:

- 1) complete and sign a group insurance enrollment form which is satisfactory to Us; and
- 2) deliver it to Your Employer.

If You do not enroll within 31 days after becoming eligible under The Policy, or if You were eligible to enroll under the Prior Policy and did not do so, and later choose to enroll:

- 1) You must give Us Evidence of Insurability satisfactory to Us; and
- 2) You may only enroll:
 - a) during an Annual Enrollment Period designated by the Policyholder; or
 - b) within 31 days of the date You have a Change in Family Status.

The dates of the Annual Enrollment Period are shown in the Schedule of Insurance.

Evidence of Insurability: *What is Evidence of Insurability and what happens if Evidence of Insurability is not satisfactory to Us?*

Evidence of Insurability must be satisfactory to Us and may include, but will not be limited to:

- 1) a completed and signed application approved by Us;
- 2) a medical examination, if requested;
- 3) attending Physicians' statements; and
- 4) any additional information We may require.

All Evidence of Insurability will be furnished at Our expense. We will then determine if You are insurable under The Policy.

If Your Evidence of Insurability is not satisfactory to Us:

- 1) Your Monthly Benefit will equal the amount for which You were eligible without providing Evidence of Insurability, provided You enrolled within 31 days of the date You were first eligible to enroll; and
- 2) You will not be covered under The Policy if You enrolled more than 31 days after the date You were first eligible to enroll.

Change in Family Status: *What constitutes a Change in Family Status?*

A Change in Family Status occurs when:

- 2) You and Your spouse divorce;
- 3) Your child is born or You adopt or become the legal guardian of a child;
- 4) Your spouse dies;
- 5) Your child is no longer financially dependent on You or dies;
- 6) Your spouse is no longer employed, which results in a loss of group insurance; or
- 7) You have a change in classification from part-time to full-time or from full-time to part-time.

PERIOD OF COVERAGE

Effective Date: *When does my coverage start?*

If You are not required to contribute toward The Policy's cost, Your coverage will start:

- 1) for benefit amounts not requiring Evidence of Insurability, on the date You become eligible; or
- 2) for benefit amounts requiring Evidence of Insurability, on the date We approve such evidence.

If You must contribute toward The Policy's cost, Your coverage will start on the earliest of:

- 1) the date You become eligible, for benefit amounts not requiring Evidence of Insurability, if You enroll or have enrolled by then;
- 2) the date on which You enroll, for benefit amounts not requiring Evidence of Insurability, if You do so within 31 days after the date You are eligible;
- 3) the date We approve Your Evidence of Insurability, for benefit amounts requiring Evidence of Insurability; or
- 4) on the January 1st following the Annual Enrollment Period if You enroll, during an Annual Enrollment Period.

Deferred Effective Date: *When will my effective date for coverage or a change in my coverage be deferred?*

If You are absent from work due to:

- 1) accidental bodily injury;
- 2) sickness;
- 3) Mental Illness;
- 4) Substance Abuse; or
- 5) pregnancy;

on the date Your insurance, or increase in coverage, would otherwise have become effective, Your insurance, or increase in coverage will not become effective until You are Actively at Work one full day.

Changes in Coverage: *Can I change my benefit options?*

You may change Your benefit option only:

- 1) during an Annual Enrollment Period; or
- 2) within 31 days of a Change in Family Status.

At such time You may decrease coverage, or increase coverage to a higher option. An increase in coverage will be subject to Your submission of an application that meets Our approval.

When will a requested change in benefit option take effect?

If You enroll for a change in benefit option during an Annual Enrollment Period, the change will take effect on the later of:

- 1) the January 1st following the Annual Enrollment Period; or
- 2) the date We approve Your Evidence of Insurability if You are required to submit Evidence of Insurability.

If You enroll for a change in benefit option within 31 days following a Change in Family Status, the change will take effect on the later of:

- 1) the date You enroll for the change; or
- 2) the date We approve Your Evidence of Insurability if You are required to submit Evidence of Insurability.

Any such increase in coverage is subject to the following provisions:

- 1) Deferred Effective Date; and
- 2) Pre-existing Conditions Limitation.

Do coverage amounts change if there is a change in my class or my rate of pay?

Your coverage may increase or decrease on the date there is a change in Your class or Pre-disability Earnings. However, no increase in coverage will be effective unless on that date You:

- 1) are an Active Employee; and
- 2) are not absent from work due to being Disabled. If You were so absent from work, the effective date of such increase will be deferred until You are Actively at Work for one full day.

No change in Your Pre-disability Earnings will become effective until the date We receive notice of the change.

What happens if the Employer changes The Policy?

Any increase or decrease in coverage because of a change in The Policy will become effective on the date of the change, subject to the following provisions:

- 1) the Deferred Effective Date provision; and
- 2) Pre-existing Conditions Limitation.

Continuity From A Prior Policy: *Is there continuity of coverage from a Prior Policy?*

If You were:

- 1) insured under the Prior Policy; and
- 2) not eligible to receive benefits under the Prior Policy;

on the day before the Policy Effective Date, the Deferred Effective Date provision will not apply.

Is my coverage under The Policy subject to the Pre-existing Condition Limitation?

If You become insured under The Policy on the Policy Effective Date and were covered under the Prior Policy on the day before the Policy Effective Date, the Pre-existing Conditions Limitation will end on the earliest of:

- 1) the Policy Effective Date, if Your coverage for the Disability was not limited by a pre-existing condition restriction under the Prior Policy; or
- 2) the date the restriction would have ceased to apply had the Prior Policy remained in force, if Your coverage was limited by a pre-existing condition limitation under the Prior Policy.

The amount of the Monthly Benefit payable for a Pre-existing Condition in accordance with the above paragraph will be the lesser of:

- 1) the Monthly Benefit which was paid by the Prior Policy; or
- 2) the Monthly Benefit provided by The Policy.

The Pre-existing Conditions Limitation will apply after the Policy Effective Date to the amount of a benefit increase which results from a change from the Prior Policy to The Policy, a change in benefit options, a change of class or a change in The Policy.

Do I have to satisfy an Elimination Period under The Policy if I was Disabled under the Prior Policy?

If You received monthly benefits for disability under the Prior Policy, and You returned to work as a Full-time Active Employee before the Policy Effective Date, then, if within 6 months of Your return to work:

- 1) You have a recurrence of the same disability while covered under The Policy; and
- 2) there are no benefits available for the recurrence under the Prior Policy;

the Elimination Period, which would otherwise apply, will be waived if the recurrence would have been covered without any further elimination period under the Prior Policy.

Termination: *When will my coverage end?*

Your coverage will end on the earliest of the following:

- 1) the date The Policy terminates;
- 2) the date The Policy no longer insures Your class;
- 3) the date premium payment is due but not paid;
- 4) the last day of the period for which You make any required premium contribution;
- 5) the date Your Employer terminates Your employment; or
- 6) the date You cease to be a Full-time Active Employee in an eligible class for any reason;

unless continued in accordance with any of the Continuation Provisions.

Continuation Provisions: *Can my coverage be continued beyond the date it would otherwise terminate?*

Coverage can be continued by Your Employer beyond a date shown in the Termination provision, if Your Employer provides a plan of continuation which applies to all employees the same way. Continued coverage:

- 1) is subject to any reductions in The Policy;
- 2) is subject to payment of premium by the Employer; and
- 3) terminates if:
 - a) The Policy terminates; or
 - b) coverage for Your class terminates.

In any event, Your benefit level, or the amount of earnings upon which Your benefits may be based, will be that in effect on the day before Your coverage was continued. Coverage may be continued in accordance with the above restrictions and as described below:

Family and Medical Leave: If You are granted a leave of absence, in writing, according to the Family and Medical Leave Act of 1993, or other applicable state or local law, Your coverage may be continued for up to 12 weeks, or 26 weeks if You qualify for Family Military Leave, or longer if required by other applicable law, following the date Your leave commenced. If the leave terminates prior to the agreed upon date, this continuation will cease immediately.

Coverage while Disabled: *Does my insurance continue while I am Disabled and no longer an Active Employee?*

If You are Disabled and You cease to be an Active Employee, Your insurance will be continued:

- 1) during the Elimination Period while You remain Disabled by the same Disability; and
- 2) after the Elimination Period for as long as You are entitled to benefits under The Policy.

Waiver of Premium: *Am I required to pay premiums while I am Disabled?*

No premium will be due for You:

- 1) after the Elimination Period; and
- 2) for as long as benefits are payable.

Extension of Benefits for Disability: *Do benefits continue if The Policy terminates?*

If You are entitled to benefits while Disabled and The Policy terminates, benefits:

- 1) will continue as long as You remain Disabled by the same Disability; but
- 2) will not be provided beyond the date We would have ceased to pay benefits had the insurance remained in force.

Termination of The Policy for any reason will have no effect on Our liability under this provision.

Conversion Right: *If my coverage under The Policy stops, do I have a right to conversion?*

If Your insurance terminates because:

- 1) Your employment ends for a reason other than Your retirement; or
- 2) You are no longer in an eligible class;

and if:

- 1) You have been continuously insured for at least 12 consecutive month(s) under The Policy or under both The Policy and the Prior Policy;
- 2) a Disability is not preventing You from performing duties of Your Occupation;
- 3) The Policy has not terminated; and
- 4) You are not eligible or covered for similar benefits under another group policy;

then You are eligible to enroll for personal insurance under another group policy called the group long term disability conversion policy.

How do I convert my coverage?

To obtain coverage under the group long term disability conversion policy, You must:

- 1) send Us a written enrollment request; and
- 2) pay the required premium and enrollment fee for the conversion policy;

within 31 days of the termination of Your insurance.

If You meet the preceding conditions, We will issue You a certificate of insurance under the group long term disability conversion policy. Such coverage will:

- 1) be issued without Evidence of Insurability;
- 2) be on one of the forms then being issued by Us for conversion purposes; and
- 3) be effective on the day following the date Your insurance under The Policy terminates.

The coverage available under the conversion policy may differ from The Policy. We will determine the terms of the group long term disability conversion policy, including:

- 1) the type and amount of coverage provided; and
- 2) the premium payable;

based on the kinds of insurance provided by the group long term disability conversion policy at the time such enrollment request is made.

BENEFITS

Disability Benefit: *What are my Disability Benefits under The Policy?*

We will pay You a Monthly Benefit if You:

- 1) become Disabled while insured under The Policy;
- 2) are Disabled throughout the Elimination Period;
- 3) remain Disabled beyond the Elimination Period; and
- 4) submit Proof of Loss to Us.

Benefits accrue as of the first day after the Elimination Period and are paid monthly. However, benefits will not exceed the Maximum Duration of Benefits.

Mental Illness and Substance Abuse Benefits: *Are benefits limited for Mental Illness or Substance Abuse?*

If You are Disabled because of:

- 1) Mental Illness that results from any cause;
- 2) any condition that may result from Mental Illness;
- 3) alcoholism; or
- 4) voluntarily using any controlled substance as defined in Title II of the Comprehensive Drug Abuse Prevention and Control Act of 1970, as now or hereafter amended, unless as prescribed by or administered by a Physician;

then, subject to all other provisions of The Policy, We will limit the Maximum Duration of Benefits.

Benefits will be payable:

- 1) for as long as You are confined in a hospital or other place licensed to provide medical care for the disabling condition; or

- 2) if not confined, or after You are discharged and still Disabled, for a total of 24 months for all such disabilities during Your lifetime.

Recurrent Disability: *What happens if I Recover but become Disabled again?*

Periods of Recovery during the Elimination Period will not interrupt the Elimination Period, if the number of days You return to work as an Active Employee are less than one-half (1/2) the number of days of Your Elimination Period.

Any day within such period of Recovery, will not count toward the Elimination Period.

After the Elimination Period, if You return to work as an Active Employee and then become Disabled and such Disability is:

- 1) due to the same cause; or
- 2) due to a related cause; and
- 3) within 6 months of the return to work;

the Period of Disability prior to Your return to work and the recurrent Disability will be considered one Period of Disability, provided The Policy remains in force.

If You return to work as an Active Employee for 6 months or more, any recurrence of a Disability will be treated as a new Disability. The new Disability is subject to a new Elimination Period and a new Maximum Duration of Benefits.

Period of Disability means a continuous length of time during which You are Disabled under The Policy.

Recover or Recovery means that You are no longer Disabled and have returned to work with the Employer and premiums are being paid for You.

Calculation of Monthly Benefit: Return to Work Incentive: *How are my Disability benefits calculated?*

If You remain Disabled after the Elimination Period, but work while You are Disabled, We will determine Your Monthly Benefit for a period of up to 12 consecutive months as follows:

- 1) multiply Your Pre-disability Earnings by the Benefit Percentage;
- 2) compare the result with the Maximum Benefit; and
- 3) from the lesser amount, deduct Other Income Benefits.

The result is Your Monthly Benefit. Current Monthly Earnings will not be used to reduce Your Monthly Benefit. However, if the sum of Your Monthly Benefit and Your Current Monthly Earnings exceeds 100% of Your Pre-disability Earnings, We will reduce Your Monthly Benefit by the amount of excess.

The 12 consecutive month period will start on the last to occur of:

- 1) the day You first start work; or
- 2) the end of the Elimination Period.

If You are Disabled and not receiving benefits under the Return to Work Incentive, We will calculate Your Monthly Benefit as follows:

- 1) multiply Your Monthly Income Loss by the Benefit Percentage;
- 2) compare the result with the Maximum Benefit; and
- 3) from the lesser amount, deduct Other Income Benefits.

The result is Your Monthly Benefit.

Calculation of Monthly Benefit: *What happens if the sum of my Monthly Benefit, Current Monthly Earnings, and Other Income Benefits exceeds 100% of my Pre-disability Earnings?*

If the sum of Your Monthly Benefit, Current Monthly Earnings, and Other Income Benefits exceeds 100% of Your Pre-disability Earnings, We will reduce Your Monthly Benefit by the amount of the excess. However, Your Monthly Benefit will not be less than the Minimum Monthly Benefit.

If an overpayment occurs, We may recover all or any portion of the overpayment, in accordance with the Overpayment Recovery provision.

Minimum Monthly Benefit: *Is there a Minimum Monthly Benefit?*

Your Monthly Benefit will not be less than the Minimum Monthly Benefit shown in the Schedule of Insurance.

Partial Month Payment: *How is the benefit calculated for a period of less than a month?*

If a Monthly Benefit is payable for a period of less than a month, We will pay 1/30 of the Monthly Benefit for each day You were Disabled.

Termination of Payment: *When will my benefit payments end?*

Benefit payments will stop on the earliest of:

- 1) the date You are no longer Disabled;
- 2) the date You fail to furnish Proof of Loss;
- 3) the date You are no longer under the Regular Care of a Physician;
- 4) the date You refuse Our request that You submit to an examination by a Physician or other qualified medical professional;
- 5) the date of Your death;
- 6) the date You refuse to receive recommended treatment that is generally acknowledged by Physicians to cure, correct or limit the disabling condition;
- 7) the last day benefits are payable according to the Maximum Duration of Benefits Table;
- 8) the date Your Current Monthly Earnings:
 - a) are equal to or greater than 80% of Your Indexed Pre-disability Earnings if You are receiving benefits for being Disabled from Your Occupation; or
 - b) are greater than the lesser of the product of Your Indexed Pre-disability Earnings and the Benefit Percentage or the Maximum Monthly Benefit if You are receiving benefits for being Disabled from Any Occupation;
- 9) the date no further benefits are payable under any provision in The Policy that limits benefit duration; or
- 10) the date You refuse to participate in a Rehabilitation program, if You do not contribute toward the cost of coverage;

You must participate, cooperate or try programs, modifications, devices or equipment only if Your qualified Physician, or other qualified medical professional, indicates You are able to do so. If there is no such indication, then Your refusal to participate, cooperate with or try programs, modifications, devices and equipment will not result in termination of benefits; or

- 11) the date You refuse to cooperate with or try:
 - a) modifications made to the work site or job process to accommodate Your identified medical limitations to enable You to perform the Essential Duties of Your Occupation;
 - b) adaptive equipment or devices designed to accommodate Your identified medical limitations to enable You to perform the Essential Duties of Your Occupation;
 - c) modifications made to the work site or job process to accommodate Your identified medical limitations to enable You to perform the Essential Duties of Any Occupation, if You were receiving benefits for being disabled from Any Occupation; or
 - d) adaptive equipment or devices designed to accommodate Your identified medical limitations to enable You to perform the Essential Duties of Any Occupation, if You were receiving benefits for being disabled from Any Occupation;

You must participate, cooperate or try programs, modifications, devices or equipment only if Your qualified Physician, or other qualified medical professional, indicates You are able to do so. If there is no such indication, then Your refusal to participate, cooperate with or try programs, modifications, devices and equipment will not result in termination of benefits.

Survivor Income Benefit: *Will my survivors receive a benefit if I die while receiving Disability Benefits?*

If You were receiving a Monthly Benefit at the time of Your death, We will pay a Survivor Income Benefit, when We receive proof satisfactory to Us:

- 1) of Your death; and
- 2) that the person claiming the benefit is entitled to it.

We must receive the satisfactory proof for Survivor Income Benefits within 1 year of the date of Your death.

The Survivor Income Benefit will only be paid:

- 1) to Your Surviving Spouse; or
- 2) if no Surviving Spouse, in equal shares to Your Surviving Children.

If there is no Surviving Spouse or Surviving Children, then no benefit will be paid.

However, We will first apply the Survivor Income Benefit to any overpayment which may exist on Your claim.

If a minor child is entitled to benefits, We may, at Our option, make benefit payments to the person caring for and supporting the child until a legal guardian is appointed.

The Survivor Income Benefit is calculated as 3 times the lesser of:

- 1) Your Monthly Income Loss multiplied by the Benefit Percentage in effect on the date of Your death; or
- 2) The Maximum Monthly Benefit.

Surviving Spouse means Your spouse who was not legally separated or divorced from You when You died.

Surviving Children means Your unmarried children, step children, legally adopted children who, on the date You die, are primarily dependent on You for support and maintenance and who are under age 25.

The term Surviving Children will also include any other children related to You by blood or marriage and who:

- 1) lived with You in a regular parent-child relationship; and
- 2) were eligible to be claimed as dependents on Your federal income tax return for the last tax year prior to Your death.

Workplace Modification Benefit: *Will the Rehabilitation program provide for modifications to my workplace to accommodate my return to work?*

We will reimburse Your Employer for the expense of reasonable Workplace Modifications to accommodate Your Disability and enable You to return to work as an Active Employee. You qualify for this benefit if:

- 1) Your Disability is covered by The Policy;
- 2) the Employer agrees to make modifications to the workplace in order to reasonably accommodate Your return to work and the performance of the Essential Duties of Your job; and
- 3) We approve, in writing, any proposed Workplace Modifications.

Benefits paid for such Workplace Modification shall not exceed the amount equal to the amount of the Maximum Monthly Benefit.

We have the right, at Our expense, to have You examined or evaluated by:

- 1) a Physician or other health care professional; or
- 2) a vocational expert or rehabilitation specialist;

of Our choice so that We may evaluate the appropriateness of any proposed modification.

We will reimburse the Employer's costs for approved Workplace Modifications after:

- 1) the proposed modifications made on Your behalf are complete;
- 2) We have been provided written proof of the expenses incurred to provide such modification; and
- 3) You have returned to work as an Active Employee.

Workplace Modification means change in Your work environment, or in the way a job is performed, to allow You to perform, while Disabled, the Essential Duties of Your job. Payment of this benefit will not reduce or deny any benefit You are eligible to receive under the terms of The Policy.

EXCLUSIONS AND LIMITATIONS

Exclusions: *What Disabilities are not covered?*

The Policy does not cover, and We will not pay a benefit for, any Disability:

- 1) unless You are under the Regular Care of a Physician;
- 2) that is caused or contributed to by war or act of war, whether declared or not;
- 3) caused by Your commission of or attempt to commit a felony;
- 4) caused or contributed to by Your being engaged in an illegal occupation; or

Pre-existing Condition Limitation: *Are benefits limited for Pre-existing Conditions?*

- 1) You have not received Medical Care for the condition for 90 consecutive day(s) while insured under The Policy; or

- 2) You have been continuously insured under The Policy for 365 consecutive day(s).

Pre-existing Condition means:

- 1) any accidental bodily injury, sickness, Mental Illness, pregnancy, or episode of Substance Abuse; or

for which You received Medical Care during the 90 consecutive day period that ends the day before:

- 1) Your effective date of coverage; or
- 2) the effective date of a Change in Coverage.

Such notice must include Your name, Your address and the Policy Number.

Claim Forms: *Are special forms required to file a claim?*

When We determine that You;

When We determine that You may be eligible for benefits, We may estimate the amount of these benefits. We may reduce Your Monthly Benefit by the estimated amount.

Your Monthly Benefit will not be reduced by estimated Social Security disability benefits if:

- 2) You have signed a form authorizing the Social Security Administration to release information about awards directly to Us; and
- 3) You have signed and returned Our reimbursement agreement, which confirms that You agree to repay all overpayments.

If We have reduced Your Monthly Benefit by an estimated amount and:

If Your Social Security benefits were lower than We estimated, and We owe You a refund, We will make such refund in a lump sum. If Your Social Security benefits were higher than We estimated, and if Your Monthly Benefit has been overpaid, You must make a lump sum refund to Us equal to all overpayments, in accordance with the Overpayment Recovery provision.

Misstatements: *What happens if facts are misstated?*

If material facts about You were not stated accurately:

- 1) Your premium may be adjusted; and
- 2) the true facts will be used to determine if, and for what amount, coverage should have been in force.

No statement made by You relating to Your insurability will be used to contest the insurance for which the statement was made after the insurance has been in force for two years during Your lifetime. In order to be used, the statement must be in writing and signed by You.

All statements made by the Policyholder, the Employer or You under The Policy will be deemed representations and not warranties. No statement made to affect this insurance will be used in any contest unless it is in writing and a copy of it is given to the person who made it, or to his or her beneficiary or Your representative.

Policy Interpretation: *Who interprets the terms and conditions of The Policy?*

DEFINITIONS

Actively at Work means at work with the Employer on a day that is one of the Employer's scheduled workdays. On that day, You must be performing for wage or profit all of the regular duties of Your Occupation:

- 1) in the usual way; and
- 2) for Your usual number of hours.

We will consider You Actively at Work on a day that is not a scheduled work day only if You were Actively at Work on the preceding scheduled work day.

Active Employee means an employee who works for the Employer on a regular basis in the usual course of the Employer's business. This must be at least the number of hours shown in the Schedule of Insurance.

Any Occupation means any occupation for which You are qualified by education, training or experience, and that has an earnings potential greater than the lesser of:

- 1) the product of Your Indexed Pre-disability Earnings and the Benefit Percentage; or
- 2) the Maximum Monthly Benefit.

Current Monthly Earnings means monthly earnings You receive from:

- 1) Your Employer; and
- 2) other employment;

while You are Disabled.

However, if the other employment is a job You held in addition to Your job with Your Employer, then during any period that You are entitled to benefits for being Disabled from Your Occupation, only the portion of Your earnings that exceeds Your average earnings from the other employer over the 6 month period just before You became Disabled will count as Current Monthly Earnings.

Current Monthly Earnings also includes the pay You could have received for another job or a modified job if:

- 1) such job was offered to You by Your Employer, or another employer, and You refused the offer; and
- 2) the requirements of the position were consistent with:
 - a) Your education, training and experience; and
 - b) Your capabilities as medically substantiated by Your Physician.

Disability or Disabled means You are prevented from performing one or more of the Essential Duties of:

- 1) Your Occupation during the Elimination Period;
- 2) Your Occupation, for the 24 months following the Elimination Period, and as a result Your Current Monthly Earnings are less than 80% of Your Indexed Pre-disability Earnings; and
- 3) after that, Any Occupation.

If at the end of the Elimination Period, You are prevented from performing one or more of the Essential Duties of Your Occupation, but Your Current Monthly Earnings are equal to or greater than 80% of Your Pre-disability Earnings, Your Elimination Period will be extended for a total period of 12 months from the original date of Disability, or until such time as Your Current Monthly Earnings are less than 80% of Your Pre-disability Earnings, whichever occurs first. For the purposes of extending Your Elimination Period, Your Current Monthly Earnings will not include the pay You could have received for another job or a modified job if such job was offered to You by Your Employer, or another employer, and You refused the offer.

Your Disability must result from:

- 1) accidental bodily injury;
- 2) sickness;
- 3) Mental Illness;
- 4) Substance Abuse; or
- 5) pregnancy.

Your failure to pass a physical examination required to maintain a license to perform the duties of Your Occupation, alone, does not mean that You are Disabled.

Elimination Period means the longer of the number of consecutive days at the beginning of any one period of Disability which must elapse before benefits are payable or the expiration of any Employer sponsored short term disability benefits or salary continuation program, excluding benefits required by state law.

Employer means the Policyholder.

Indexed Pre-disability Earnings means Your Pre-disability Earnings adjusted annually by adding the lesser of:

- 1) 10%; or
- 2) the percentage change in the Consumer Price Index (CPI-W).

The percentage change in the CPI-W means the difference between the current year's CPI-W as of July 31, and the prior year's CPI-W as of July 31, divided by the prior year's CPI-W. The adjustment is made January 1st each year after You have been Disabled for 12 consecutive month(s), provided You are receiving benefits at the time the adjustment is made.

The term Consumer Price Index (CPI-W) means the index for Urban Wage Earners and Clerical Workers published by the United States Department of Labor. It measures on a periodic (usually monthly) basis the change in the cost of typical urban wage earners' and clerical workers' purchase of certain goods and services. If the index is discontinued or changed, We may use another nationally published index that is comparable to the CPI-W.

Mental Illness means a mental disorder as listed in the current version of the Diagnostic and Statistical Manual of Mental Disorders, published by the American Psychiatric Association. A Mental Illness may be caused by biological factors or result in physical symptoms or manifestations.

Other Income Benefits also means the amount of any payments that are made to You, or to a third party on Your behalf, pursuant to any:

- 1) temporary, permanent disability or impairment benefits under a Workers' Compensation Law, the Jones Act, occupational disease law, similar law or substitutes or exchanges for such benefits; or
- 2) portion of a judgement or settlement of a claim or lawsuit that represents or compensates for Your loss of earnings, less Our pro rata share of any associated reasonable attorneys' fees and court costs;

If You are paid Other Income Benefits in a lump sum or settlement, You must provide proof satisfactory to Us of:

- 1) the amount attributed to loss of income; and
- 2) the period of time covered by the lump sum or settlement.

We will pro-rate the lump sum or settlement over this period of time. If You cannot or do not provide this information, We will assume the entire sum to be for loss of income, and the time period to be 24 month(s). We may make a retroactive allocation of any retroactive Other Income Benefit. A retroactive allocation may result in an overpayment of Your claim.

The amount of any increase in Other Income Benefits will not be included as Other Income Benefits if such increase:

- 1) takes effect after the date benefits become payable under The Policy; and
- 2) is a general increase which applies to all persons who are entitled to such benefits.

This includes the terms "marriage" or "married," or variations thereon. Insurance policies are required to provide identical benefits and protections to both civil unions and marriages. If policies of insurance provide coverage for children, the children of civil unions must also be provided coverage. The Act also requires recognition of civil unions or same sex civil unions or marriages legally entered into in other jurisdictions.

- 6) Your spouse or domestic partner is no longer employed, which results in a loss of group insurance; or
- 7) You have a change in classification from part-time to full-time or from full-time to part-time.

PERIOD OF COVERAGE

Effective Date: *When does my coverage start?*

Non-Contributory Coverage, for which Evidence of Insurability is not required, will start on the date You become eligible.

Contributory Coverage, for which Evidence of Insurability is not required, will start on the latest to occur of:

- 1) the date You become eligible, if You enroll on or before that date;
- 2) the January 1st on or next following the last day of the Annual Enrollment Period, if You enroll during an Annual Enrollment Period; or
- 3) the date You enroll, if You do so within 31 days from the date You are eligible.

Any coverage for which Evidence of Insurability is required, will become effective on the later of:

- 1) the date You become eligible; or
- 2) the date We approve Your Evidence of Insurability.

All Effective Dates of coverage are subject to the Deferred Effective Date provision.

Deferred Effective Date: *When will my effective date for coverage or a change in my coverage be deferred?*

If, on the date You are to become covered:

- 1) under The Policy;
- 2) for increased benefits; or
- 3) for a new benefit;

You are not Actively at Work due to a physical or mental condition, such coverage will not start until the date You are Actively at Work.

Continuity from a Prior Policy: *Is there continuity of coverage from a Prior Policy?*

Your initial coverage under The Policy will begin, and will not be deferred if, on the day before the Policy Effective Date, You were:

- 1) insured under the Prior Policy; and
- 2) Actively at Work or on an authorized family and medical leave;

but on the Policy Effective Date, You were not Actively at Work, and would otherwise meet the Eligibility requirements of The Policy. However, Your Amount of Insurance will be the lesser of the amount of life insurance:

- 1) You had under the Prior Policy; or
- 2) shown in the Schedule of Insurance;

reduced by any coverage amount:

- 1) that is in force, paid or payable under the Prior Policy; or
- 2) that would have been so payable under the Prior Policy had timely election been made.

Such amount of insurance under this provision is subject to any reductions in The Policy and will not increase.

Coverage provided through this provision ends on the first to occur of:

- 1) the last day of a period of 12 consecutive months after the Policy Effective Date;
- 2) the date Your insurance terminates for any reason shown under the Termination provision;
- 3) the last day You would have been covered under the Prior Policy, had the Prior Policy not terminated; or
- 4) the date You are Actively at Work.

However, if the coverage provided through this provision ends because You are Actively at Work, You may be covered as an Active Employee under The Policy.

Dependent Effective Date: *When does Dependent coverage start?*

Coverage will start on the latest to occur of:

- 1) the date You become eligible for Dependent coverage, if You have enrolled on or before that date; or
- 2) the January 1st on or next following the last day of the Annual Enrollment Period, if You enroll during an Annual Enrollment Period; or
- 3) the date You enroll, if You do so within 31 days from the date You are eligible for Dependent coverage.

Coverage for which Evidence of Insurability is required, will become effective on the later of:

- 1) the date You become eligible for Dependent coverage; or
- 2) the date We approve Your Dependents' Evidence of Insurability.

In no event will Dependent coverage become effective before You become insured.

Dependent Deferred Effective Date: *When will the effective date for Dependent coverage or a change in coverage be deferred?*

If, on the date Your Dependent, other than a newborn, is to become covered:

- 1) under The Policy;
- 2) for increased benefits; or
- 3) for a new benefit; and

he or she is:

- 1) confined in a hospital; or
- 2) Confined Elsewhere;

such coverage will not start until he or she:

- 1) is discharged from the hospital; or
- 2) is no longer Confined Elsewhere;

and has engaged in all the normal and customary activities of a person of like age and gender, in good health, for at least 15 consecutive days.

This Deferred Effective Date provision will not apply to disabled children who qualify under the definition of Dependent Child(ren).

Confined Elsewhere means Your Dependent is unable to leave home or other place of residence without assistance.

Dependent Continuity from a Prior Policy: *Is there continuity of coverage from a Prior Policy for my Dependents?*

If on the day before the Policy Effective Date, You were covered with respect to Your Dependents under the Prior Policy, the Deferred Effective Date provision will not apply to initial coverage under The Policy for such Dependents. However, the Dependent Amount of Insurance will be the lesser of the amount of life insurance:

- 1) Your Dependents had under the Prior Policy; or
- 2) shown in the Schedule of Insurance;

reduced by any coverage amount:

- 1) that is in force, paid or payable under the Prior Policy; or
- 2) that would have been so payable under the Prior Policy had timely election been made.

Change in Coverage: *When may I change my coverage or coverage for my Dependents?*

After Your initial enrollment You may increase or decrease coverage for You or Your Dependents, or add a new Dependent to Your existing Dependent coverage:

- 1) during any Annual Enrollment Period designated by the Policyholder; or
- 2) within 31 days of the date of a Change in Family Status.

Effective Date for Changes in Coverage: *When will changes in coverage become effective?*

Any decrease in coverage will take effect on the date of the change.

Any increase in coverage will take effect on the latest of:

- 1) the date of the change;
- 2) the date requirements of the Deferred Effective Date provision are met;
- 3) the date Evidence of Insurability is approved, if required; or
- 4) the January 1st on or next following the last day of the Annual Enrollment Period, except for an increase as a result of a Change in Family Status.

With respect to requested changes during Annual Enrollment:

Increase in Amount of Life Insurance: *If I request an increase in the Amount of Life Insurance for myself or my Dependents, must we provide Evidence of Insurability?*

If You or Your Dependents are:

- 1) already enrolled for an Amount of Basic or Supplemental Life Insurance under The Policy, then You and Your Dependents must provide Evidence of Insurability for any increase; or
- 2) not already enrolled:
 - a) for an Amount of Basic Life Insurance under The Policy, You must provide Evidence of Insurability for any amount of Basic Life Insurance coverage; or
 - b) for an Amount of Supplemental Life Insurance under The Policy, You and Your Dependents must provide Evidence of Insurability for any amount of Supplemental Life Insurance coverage; including an initial amount.

In any event, if the Amount of Life Insurance You request is greater than the Guaranteed Issue Amount, You or Your Dependents, as applicable, must provide Evidence of Insurability.

If Your Evidence of Insurability is not satisfactory to Us, the Amount of Life Insurance You had in effect on the date immediately prior to the date You requested the increase will not change.

If Your Dependents' Evidence of Insurability is not satisfactory to Us, the Amount of Life Insurance he or she had in effect on the date immediately prior to the date You requested the increase will not change.

With respect to requested Supplemental Life changes due to a Change in Family Status:

Increase in Amount of Life Insurance: *If I request an increase in the Amount of Life Insurance, must I provide Evidence of Insurability?*

If You are:

- 1) already enrolled for an Amount of Basic or Supplemental Life Insurance under The Policy, then You must provide Evidence of Insurability for any increase; or
- 2) not already enrolled:
 - a) for an Amount of Basic Life Insurance under The Policy, You must provide Evidence of Insurability for any amount of Basic Life Insurance coverage; or
 - b) for an Amount of Supplemental Life Insurance under The Policy, You and Your Dependents must provide Evidence of Insurability for any amount of Supplemental Life Insurance coverage; including an initial amount.

In any event, if the Amount of Life Insurance You request is greater than the Guaranteed Issue Amount, You must provide Evidence of Insurability.

If Your Evidence of Insurability is not satisfactory to Us, the Amount of Life Insurance You had in effect on the date immediately prior to the date You requested the increase will not change.

Increase in Amount of Life Insurance: *If my Amount of Life Insurance increases because my Earnings increase, must I provide Evidence of Insurability?*

If Your Amount of Life Insurance is based on a multiple of Your Earnings, You must provide Evidence of Insurability if Your Earnings increase such that Your Amount of Life Insurance is greater than the Guaranteed Issue Amount. An increase in Earnings which causes an increase in Your Amount of Life Insurance will be accompanied by a corresponding increase in the amount of premium due for this coverage.

Once approved, We will not require Evidence of Insurability again if Your Amount of Life Insurance increases solely because Your Earnings increased.

However, if:

- 1) You do not submit Evidence of Insurability; or
- 2) Your Evidence of Insurability is not satisfactory to Us,

Your Amount of Life Insurance:

- 1) will increase, but only up to the amount for which You were eligible without having to provide Evidence of Insurability; and
- 2) will not increase again, or beyond that amount, until Your Evidence of Insurability is approved.

Termination: *When will my coverage end?*

Your coverage will end on the earliest of the following:

- 1) the date The Policy terminates;
- 2) the date You are no longer in a class eligible for coverage, or The Policy no longer insures Your class;
- 3) the date the premium payment is due but not paid;
- 4) the date Your Employer terminates Your employment; or
- 5) the date You are no longer Actively at Work;

unless continued in accordance with any one of the Continuation Provisions.

Dependent Termination: *When does coverage for my Dependent end?*

Coverage for Your Dependent will end on the earliest to occur of:

- 1) the date Your coverage ends;
- 2) the date the required premium is due but not paid;
- 3) the date You are no longer eligible for Dependent coverage;
- 4) the date We or the Employer terminate Dependent coverage; or
- 5) the date the Dependent no longer meets the definition of Dependent;

unless continued in accordance with the Continuation Provisions.

Continuation Provisions: *Can my coverage and coverage for my Dependents be continued beyond the date it would otherwise terminate?*

Coverage can be continued by Your Employer beyond a date shown in the Termination provision, if Your Employer provides a plan of continuation which applies to all employees the same way.

The amount of continued coverage applicable to You or Your Dependents will be the amount of coverage in effect on the date immediately before coverage would otherwise have ended. Continued coverage:

- 1) is subject to any reductions in The Policy;
- 2) is subject to payment of premium;
- 3) may be continued up to the maximum time shown in the provisions; and
- 4) terminates if The Policy terminates.

In no event will the amount of insurance increase while coverage is continued in accordance with the following provisions. The Continuation Provisions shown below may not be applied consecutively.

In all other respects, the terms of Your coverage and coverage for Your Dependents remain unchanged.

Leave of Absence: If You are on a documented leave of absence, other than Family and Medical Leave or Military Leave of Absence, Your coverage (including Dependent Life coverage) may be continued until the last day of the month

following the month in which the leave of absence commenced. If the leave terminates prior to the agreed upon date, this continuation will cease immediately.

Military Leave of Absence: If You enter active full-time military service and are granted a military leave of absence in writing, Your coverage (including Dependent Life coverage) may be continued for up to 24 months. If the leave ends prior to the agreed upon date, this continuation will cease immediately.

Lay Off: If You are temporarily laid off by the Employer due to lack of work, Your coverage (including Dependent Life coverage) may be continued until the end of the severance period based upon Your length of service and salary grade, as determined by the Employer, up to a maximum of 2 years. If the lay off becomes permanent, this continuation will cease immediately.

Disability Insurance: If You are working for the Policyholder and:

- 1) are covered by; and
- 2) meet the definition of disabled under;

a group long term disability insurance policy, issued by Us to Your Employer, Your coverage (including Dependent Life coverage) may be continued for a period of 12 consecutive month(s) from the date You were last Actively at Work while You remain disabled.

Sickness or Injury: If You are not Actively at Work due to sickness or injury, all of Your coverages (including Dependent Life coverage) may be continued:

- 1) for a period of 12 consecutive month(s) from the date You were last Actively at Work; or
- 2) if such absence results in a leave of absence in accordance with state or federal family and medical leave laws, then the combined continuation period will not exceed 12 consecutive month(s).

Family and Medical Leave: If You are granted a leave of absence, in writing, according to the Family and Medical Leave Act of 1993, or other applicable state or local law, Your coverage(s) (including Dependent Life coverage) may be continued for up to 12 weeks, or 26 weeks if You qualify for Family Military Leave, or longer if required by other applicable law, following the date Your leave commenced. If the leave of absence ends prior to the agreed upon date, this continuation will cease immediately.

Severance: If Your employment terminates and continuation of life insurance is available to You and Your Dependents in a severance plan sponsored by the Employer, all of Your coverage (including Dependent Life coverage) may be continued. Your coverage will continue until the earliest of:

- 1) the date The Policy terminates;
- 2) the date You become covered under another group life insurance policy;
- 3) the date specified in Your severance plan; or
- 4) 24 month(s) from the date Your employment terminates.

Coverage for Your Dependents will continue until the earliest of:

- 1) the date Your Dependents no longer meet the definition of Dependents;
- 2) the date We or Your Employer terminate Dependent coverage; or
- 3) the date Your coverage terminates.

Continuation for Dependent Child(ren) with Disabilities: *Will coverage for Dependent Child(ren) with disabilities be continued?*

If Your Dependent Child(ren) reach the age at which they would otherwise cease to be a Dependent as defined, and they are:

- 1) age 26 or older; and
- 2) disabled; and
- 3) primarily dependent upon You for financial support;

then Dependent Child(ren) coverage will not terminate solely due to age. However:

- 1) You must submit proof satisfactory to Us of such Dependent Child(ren)'s disability within 31 days of the date he or she reaches such age; and
- 2) such Dependent Child(ren) must have become disabled before attaining age 26.

Coverage under The Policy will continue as long as:

- 1) You remain insured;
- 2) the child continues to meet the required conditions; and
- 3) any required premium is paid when due.

However, no increase in the Amount of Life Insurance for such Dependent Child(ren) will be available.

We have the right to require proof, satisfactory to Us, as often as necessary during the first two years of continuation, that the child continues to meet these conditions. We will not require proof more often than once a year after that.

Only Your Dependents who were covered under The Policy when You were last Actively at Work will be covered under Waiver of Premium.

Eligible Coverages: *What coverages are eligible under this provision?*

This provision applies only to:

- 1) Your Supplemental Life Insurance; and
- 2) Dependent Life Insurance.

You are not eligible to apply for both the Portability Benefit and Disability Extension for the same coverage amount for You or Your Dependents.

Disabled: *What does Disabled mean?*

Disabled means You are prevented by injury or sickness from doing any work for which You are, or could become, qualified by:

- 1) education;
- 2) training; or
- 3) experience.

In addition, You will be considered Disabled if You have been diagnosed with a life expectancy of 12 months or less.

- 6) Your Dependent no longer meets the definition of Dependent.

In the event of Policy termination Dependent coverage will continue for a period of 12 months from the date of Policy termination as long as premiums are paid when due. This period will be subject to the terms and conditions of this provision.

What happens when the Disability Extension ceases?

When Premiums are Waived: *When will premiums be waived?*

If We approve Waiver of Premium, We will notify You of the date We will begin to waive premium. In any case, We will not waive premiums for the first 9 month(s) You are Disabled. We have the right to:

- 1) require Proof of Loss that You are Disabled; and
- 2) have You examined at reasonable intervals during the first 2 years after receiving initial Proof of Loss, but not more than once a year after that.

If You fail to submit any required Proof of Loss or refuse to be examined as required by Us, then Waiver of Premium ceases.

However, if We deny Waiver of Premium, You may be eligible to:

- 1) continue coverage under the Portability Benefit; or
- 2) convert coverage in accordance with the Conversion Right;

for You and Your Dependents.

If You cease to be Disabled and return to work for a total of 5 days or less during the first 9 month(s) that You are Disabled, the 9 month waiting period will not be interrupted. Except for the 5 days or less that You worked, You must be Disabled by the same condition for the total 9 month period. If You return to work for more than 5 days, You must satisfy a new waiting period.

With respect to Supplemental Life Insurance:

Benefit Payable before Approval of Waiver of Premium: *What if I die or my Dependent dies before I qualify for Waiver of Premium?*

- 3) premiums had been paid for coverage.

BENEFITS

Life Insurance Benefit: *When is the Life Insurance Benefit payable?*

If You or Your Dependents die while covered under The Policy, We will pay the deceased person's Life Insurance Benefit after We receive Proof of Loss, in accordance with the Proof of Loss provision.

The Life Insurance Benefit will be paid according to the General Provisions of The Policy.

Accelerated Benefit: *What is the benefit?*

In the event that You are diagnosed as Terminally Ill while You are:

- 1) covered under The Policy for an Amount of Life Insurance of at least \$10,000; and
- 2) under age 70;

We will pay the Accelerated Benefit in a lump sum amount as shown below, provided We receive proof of such Terminal Illness.

The Accelerated Benefit will not be available to You unless You have been Actively at Work under The Policy.

You must request in writing that a portion of Your Amount of Life Insurance be paid as an Accelerated Benefit.

The Amount of Life Insurance payable upon Your death will be reduced by any Accelerated Benefit Amount paid under this benefit. In addition, Your remaining Amount of Life Insurance will be subject to any reductions in The Policy and will not increase once an Accelerated Benefit has been paid. Any premium required will be based on the amount of Your life insurance remaining after the Accelerated Benefit is paid under this benefit.

You may request a minimum Accelerated Benefit amount of \$3,000, and a maximum of \$500,000. We will not require that You choose a minimum amount that is greater than 25% of the Terminally Ill person's Amount of Life Insurance.

However, in no event will the Accelerated Benefit Amount exceed 80% of Your Amount of Life Insurance. This option may be exercised only once.

For example, if You are covered for a Life Insurance Benefit Amount under The Policy of \$100,000 and are Terminally Ill, You can request any portion of the Amount of Life Insurance Benefits from \$3,000 to \$80,000 to be paid now instead of to Your beneficiary upon death. However, if You decide to request only \$3,000 now, You cannot request the additional \$77,000 in the future.

A person who submits proof satisfactory to Us of his or her Terminal Illness will be considered Disabled and may also qualify for Waiver of Premium.

Any benefits received under this benefit may be taxable. You should consult a personal tax advisor for further information.

In the event:

- 1) You are required by law to accelerate benefits to meet the claims of creditors; or
 - 2) if a government agency requires You to apply for benefits to qualify for a government benefit or entitlement;
- You will still be required to satisfy all the terms and conditions herein in order to receive an Accelerated Benefit.

If You have executed an assignment of rights and interest with respect to Your Amount of Life Insurance, in order to receive the Accelerated Benefit, We must receive a release from the assignee before any benefits are payable.

Terminal Illness or Terminally Ill means a life expectancy of 12 months or less.

Conversion Right: *If coverage under The Policy ends, do I have a right to convert?*

If Life Insurance coverage or any portion of it under The Policy ends for any reason, except nonpayment of premium, You and Your Dependents may have the right to convert the coverage that terminated to an individual conversion policy without providing Evidence of Insurability. Conversion is not available for any Amount of Life Insurance for which You or Your Dependents were not eligible and covered under The Policy.

If coverage under The Policy ends because:

- 1) The Policy is terminated; or,
- 2) coverage for an Eligible Class is terminated;

then You or Your Dependent must have been insured under The Policy for 5 years or more, in order to be eligible to convert coverage. The amount which may be converted under these circumstances is limited to the lesser of:

- 1) \$10,000; or
- 2) the Life Insurance Benefit under The Policy less any Amount of Life Insurance for which You or Your Dependent may become eligible under any group life insurance policy issued or reinstated within 31 days of termination of group life coverage.

If coverage under The Policy ends for any other reason, except nonpayment of premium, the full amount of coverage which ended may be converted.

Insurer, as used in this provision, means Us or another insurance company which has agreed to issue conversion policies according to this Conversion Right.

Conversion: *How do I convert my coverage or my Dependents' coverage?*

To convert Your coverage or coverage for Your Dependents, You must:

- 1) complete a Notice of Conversion Right form; and
- 2) have Your Employer sign the form.

The Insurer must receive this within:

- 1) 31 days after Life Insurance terminates; or
- 2) 15 days from the date Your Employer signs the form;

whichever is later. However, We will not accept requests for Conversion if they are received more than 91 days after Life Insurance terminates.

After the Insurer verifies eligibility for coverage, the Insurer will send You a Conversion Policy proposal. You must:

- 1) complete and return the request form in the proposal; and
- 2) pay the required premium for coverage;

within the time period specified in the proposal.

Any individual policy issued to You or Your Dependents under the Conversion Right:

- 1) will be effective as of the 32nd day after the date coverage ends; and
- 2) will be in lieu of coverage for this amount under The Policy.

Conversion Policy Provisions: *What are the Conversion Policy provisions?*

The Conversion Policy will:

- 1) be issued on any one of the Life Insurance policy forms the Insurer is issuing for this purpose at the time of conversion; and
- 2) base premiums on the Insurer's rates in effect for new applicants of Your class and age at the time of conversion.

The Conversion Policy will not provide:

- 1) the same terms and conditions of coverage as The Policy;
- 2) any benefit other than the Life Insurance Benefit; and
- 3) term insurance.

However, Conversion is not available for any Amount of Life Insurance which was, or is being, continued:

- 1) under a certificate of insurance issued in accordance with the Portability provision; or
- 2) in accordance with the Continuation Provisions;

until such coverage ends.

Death within the Conversion Period: *What if I or my Dependents die before coverage is converted?*

We will pay the deceased person's Amount of Life Insurance You would have had the right to apply for under this provision if:

- 1) coverage under The Policy terminates; and
- 2) You or Your Dependent die within 31 days of the date coverage terminates; and
- 3) We receive Proof of Loss.

If the Conversion Policy has already taken effect, no Life Insurance Benefit will be payable under The Policy for the amount converted.

With respect to Supplemental Life Insurance:

Effect of Waiver of Premium on Conversion: *What happens to the Conversion Policy if Waiver of Premium is later approved?*

If You apply and are approved for Waiver of Premium after an individual Conversion Policy has been issued, any benefit payable at Your or Your Dependent's death under The Policy will be paid only if the individual Conversion Policy is surrendered. The Insurer will refund the premium paid for such Conversion Policy.

With respect to Supplemental Life Insurance and Supplemental Dependent Life Insurance:

Portability Benefits: *What is Portability?*

Portability is a provision which allows You and Your Dependents to continue coverage under a group Portability policy when coverage would otherwise end due to certain Qualifying Events.

With respect to Supplemental Life Insurance and Supplemental Dependent Life Insurance:

Qualifying Events: *What are Qualifying Events?*

Qualifying Events for You are:

- 1) Your employment terminates for any reason prior to Normal Retirement Age; or
- 2) Your membership in an Eligible Class under The Policy ends;
provided the Qualifying Event occurs prior to Normal Retirement Age.

Qualifying Events for Your Dependents are:

- 1) Your employment terminates, for any reason prior to Normal Retirement Age;
- 2) Your death;
- 3) Your membership in a class eligible for Dependent coverage ends; or
- 4) He or she no longer meets the definition of Dependent, however, a Dependent Child(ren) who reaches the limiting age under The Policy is not eligible for Portability;
provided the Qualifying Event occurs prior to Normal Retirement Age.

In order for Dependent Child(ren) coverage to be continued under this provision, You or Your Spouse must elect to continue coverage due to your own Qualifying Event.

With respect to Supplemental Life Insurance and Supplemental Dependent Life Insurance:

Electing Portability: *How do I elect Portability?*

You may elect Portability for Your coverage after Your Supplemental Life Insurance coverage ends due to a Qualifying Event. You may also elect Portability for Your Dependent coverage if Your Dependent coverage ends due to a Qualifying Event. The Policy must still be in force in order for Portability to be available. Portability will not be available to You or Your Dependents unless You have been Actively at Work under The Policy.

To elect Portability for You or Your Dependents, You must:

- 1) complete and have Your Employer sign a Portability application; and
- 2) submit the application to Us, with the required premium.

This must be received within:

- 1) 31 days after Life Insurance terminates; or
- 2) 15 days from the date Your Employer signs the application;

whichever is later. However, Portability requests will not be accepted if they are received more than 91 days after Life Insurance terminates.

After We verify eligibility for coverage, We will issue a certificate of insurance under a Portability policy. The Portability coverage will be:

- 1) issued without Evidence of Insurability;
- 2) issued on one of the forms then being issued by Us for Portability purposes; and
- 3) effective on the day following the date Your or Your Dependent's coverage ends.

The terms and conditions of coverage under the Portability policy will not be the same terms and conditions that are applicable to coverage under The Policy.

With respect to Supplemental Life Insurance and Supplemental Dependent Life Insurance:

STATE OF ILLINOIS
The Religious Freedom Protection and Civil Union Act
Effective June 1, 2011

The Religious Freedom Protection and Civil Union Act ("the Act") creates a legal relationship between two persons of the same or opposite sex who form a civil union. The Act provides that the parties to a civil union are entitled to the same legal obligations, responsibilities, protections and benefits that are afforded or recognized by the laws of Illinois to spouses. The law further provides that a party to a civil union shall be included in any definition or use of the terms "spouse," "family," "immediate family," "dependent," "next of kin," and other terms descriptive of spousal relationships as those terms are used throughout Illinois law. This includes the terms "marriage" or "married," or variations thereon. Insurance policies are required to provide identical benefits and protections to both civil unions and marriages. If policies of insurance provide coverage for children, the children of civil unions must also be provided coverage. The Act also requires recognition of civil unions or same sex civil unions or marriages legally entered into in other jurisdictions.

For more information regarding the Act, refer to 750 ILCS 75/1 *et seq.* Examples of the interaction between the Act and existing law can be found in the Illinois Insurance Facts, Civil Unions and Insurance Benefits document available on the Illinois Department of Insurance's website at www.insurance.illinois.gov.

Vermont:

1. **Purpose:** Vermont law requires that health insurers offer coverage to parties to a civil union that is equivalent to coverage provided to married persons.
Definitions, Terms, Conditions and Provisions: The definitions, terms, conditions or any other provisions of the policy, contract, certificate and/or riders and are hereby superseded as follows:
 - a) Terms that mean or refer to a marital relationship, or that may be construed to mean or refer to a marital relationship, such as "marriage", "spouse", "husband", "wife", "dependent", "next of kin", "relative", "beneficiary", "survivor", "immediate family" and any other such terms, include the relationship created by a civil union established according to Vermont law.
 - b) Terms that mean or refer to the inception or dissolution of a marriage, such as "date of marriage", "divorce decree", "termination of marriage" and any other such terms include the inception or dissolution of a civil union established according to Vermont law.
 - c) Terms that mean or refer to family relationships arising from a marriage, such as "family", "immediate family", "dependent", "children", "next of kin", "relative", "beneficiary", "survivor" and any other such terms include family relationships created by a civil union established according to Vermont law.
 - d) "Dependent" means a spouse, a party to a civil union established according to Vermont law, and a child or children (natural, stepchild, legally adopted or a minor or disabled child who is dependent on the insured for support and maintenance) who is born to or brought to a marriage or to a civil union established according to Vermont law.
 - e) "Child or covered child" means a child (natural, step-child, legally adopted or a minor or disabled child who is dependent on the insured for support and maintenance) who is born to or brought to a marriage or to a civil union established according to Vermont law.

CAUTION: FEDERAL LAW RIGHTS MAY OR MAY NOT BE AVAILABLE

Vermont law grants parties to a civil union the same benefits, protections and responsibilities that flow from marriage under state law. However, some or all of the benefits, protections and responsibilities related to health insurance that are available to married persons under federal law may not be available to parties to a civil union. For example, federal law, the Employee Income Retirement Security Act of 1974 known as "ERISA", controls the employer/employee relationship with regard to determining eligibility for enrollment in private employer health benefit plans. Because of ERISA, Act 91 does not state requirements pertaining to a private employer's enrollment of a party to a civil union in an ERISA employee welfare benefit plan. However, governmental employers (not federal government) are required to provide health benefits to the dependents of a party to a civil union if the public employer provides health benefits to the dependents of married persons. Federal law also controls group health insurance continuation rights under COBRA for employers with 20 or more employees as well as the Internal Revenue Code treatment of health insurance premiums. As a result, parties to a civil union and their families may or may not have access to certain benefits under the policy, contract, certificate, rider or endorsement that derive from federal law. You are advised to seek expert advice to determine your rights under this contract.

If You do not enroll for Your coverage and/or Your Dependent's coverage within 31 days after becoming eligible under The Policy, or if You were eligible to enroll under the Prior Policy and did not do so, and later choose to enroll, You may enroll for Your coverage and/or Your Dependent's coverage only:

- 1) for a period of twelve consecutive months from the date You were last Actively at Work; or
- 2) if such absence results in a leave of absence in accordance with state and/or federal family and medical leave laws, then the combined continuation period will not exceed twelve consecutive months.

Family and Medical Leave: If You are granted a leave of absence, in writing, in accordance with state and/or federal family and medical leave laws, all of Your coverages (including Dependent Accidental Death and Dismemberment coverage) may be continued for up to 12 weeks, or 26 weeks if You qualify for Family Military Leave, or longer if required by state law, following the date Your insurance would have terminated. If the leave of absence ends prior to the agreed upon date, this continuation will cease immediately.

We must receive Your Spouse's written request and the required premium to continue the coverage within 31 days of the Premium Due Date next following the date of Your death.

Solely for the purpose of continuing the coverage, Your Spouse will be considered the insured person. However, Your Spouse's or any of the Dependent Child(ren)'s coverage will not continue beyond:

Continuation for Dependent Child(ren) with Disabilities: *Will coverage for Dependent Children with Disabilities be continued?*

If Your Dependent Child(ren) reach the age at which they would otherwise cease to be a Dependent as defined, and they are:

- 1) age 26 or older; and

- 2) such Dependent Child(ren) must have become disabled before attaining age 26.

Coverage under The Policy will continue as long as:

- 1) You remain insured;
- 2) the child continues to meet the required conditions; and
- 3) any required premium is paid when due.

However, no increase in the Amount of Dependent Accidental Death and Dismemberment Insurance for such Dependent Children will be available.

We have the right to require proof, satisfactory to Us, as often as necessary during the first two years of continuation, that the child continues to meet these conditions. We will not require proof more often than once a year after that.

Waiver of Premium: *Does coverage continue if I am Disabled?*

Waiver of Premium is a provision which allows You to continue Your and Your Dependent's Accidental Death and Dismemberment Insurance coverage without paying premium, while You are Disabled and qualify for Waiver of Premium.

If You qualify for Waiver of Premium, the amount of continued coverage:

- 1) will be the amount in force on the date You cease to be an Active Employee;
- 2) will be subject to any reductions provided by The Policy; and
- 3) will not increase.

Disabled: *What does Disabled mean?*

Disabled means You are wholly and continuously prevented from performing any work or occupation for wage or profit, for which You are reasonably qualified or trained, as a result of injury or sickness.

If You are in an occupation that requires You to maintain a license, Your failure to pass a physical examination required to maintain that license does not alone mean that You are disabled.

Conditions for Qualification: *What conditions must I satisfy before I qualify for this provision?*

To qualify for Waiver of Premium You must:

- 1) be covered under The Policy and be under age 60 when You become Disabled;
- 2) be Disabled and provide Proof of Loss that You have been Disabled for 9 consecutive month(s), starting on the date You were last Actively at Work; and
- 3) provide such proof within one year of the date You became Disabled.

Refund of Premium: *Will premiums be refunded if I am Disabled?*

When You are approved for Waiver of Premium, We will refund to You, or to Your estate if You have died, any premiums paid during the period You have been continuously Disabled.

When Premiums are Waived: *When will premiums be waived?*

If We approve Waiver of Premium, We will notify You of the date We will begin to waive premium. In any case, We will not waive premiums for the first 9 month(s) You are Disabled. We have the right to:

- 1) require Proof of Loss that You are Disabled; and
- 2) have You examined at reasonable intervals during the first 2 years after receiving initial Proof of Loss, but not more than once a year after that.

If You fail to submit any required Proof of Loss or refuse to be examined as required by Us then Waiver of Premium ceases.

However, if We deny Your application for Waiver of Premium, You may be eligible to convert coverage in accordance with the Conversion Right.

If You cease to be Disabled and return to work for a total of 5 days or less during the first 9 month(s) that You are Disabled, the 9 month(s) waiting period will not be interrupted. Except for the 5 days or less that You worked, You must be Disabled by the same condition for the total 9 month(s) period. If You return to work for more than 5 days, You must satisfy a new waiting period.

Waiver Ceases: *When will Waiver of Premium cease?*

We will waive premium payments and continue Your coverage, while You remain Disabled, until the date You attain age 65 if Disabled prior to age 60.

We will waive premium payments for Your Dependent Accidental Death and Dismemberment Insurance and continue such coverage, while You remain Disabled, until the earliest of the date:

- 1) You die;
- 2) You no longer qualify for Waiver of Premium;
- 3) The Policy terminates;
- 4) You attain age 60;
- 5) Your Dependents are no longer in an Eligible Class, or Dependent coverage is no longer offered; or
- 6) Your Dependent no longer meets the definition of Dependent.

What happens when Waiver of Premium ceases?

When the Waiver of Premium ceases:

- 1) if You return to work in an Eligible Class, as an Active Employee, then You may again be eligible for coverage for Yourself and Your Dependents, as long as premiums are paid when due; or
- 2) if You do not return to work in an Eligible Class, coverage will end and You and Your Dependent may be eligible to exercise the Conversion Right for You and Your Dependents if You do so within the time limits described in such provision. The Amount of Accidental Death and Dismemberment Insurance that may be converted will be subject to the terms and conditions of the Conversion Right.

Effect of Policy Termination: *What happens to the Waiver of Premium if Policy terminates?*

If The Policy terminates before You qualify for Waiver of Premium:

- 1) You may be eligible to exercise the Conversion Right, provided You do so within the time limits described in such provision; and
- 2) You may still be approved for Waiver of Premium if You qualify.

If The Policy terminates after You qualify for Waiver of Premium:

- 1) Your Dependent coverage will terminate; and
- 2) Your coverage under the terms of this provision will not be affected.

Exercise of Conversion Right: *What happens to the Waiver of Premium Provision if I convert my coverage?*

If You exercise Your right under the Conversion Right, this Waiver of Premium provision will automatically terminate. However, You may still be eligible for this Waiver of Premium provision, if, within 12 months of conversion of Your coverage to an individual policy:

- 1) You fulfill all the conditions of the Waiver of Premium provision; and
- 2) You surrender the individual policy and all benefits and payments under the individual policy except for any refund of premiums.

Conversion Right: *If my coverage under The Policy ends, do I have a right to conversion?*

If You cease to be covered under The Policy because You cease to be eligible for coverage and:

- 1) The Policy has not terminated; and
- 2) You have paid any required premium;

You have a Conversion Right as provided below.

The Conversion Right allows You to request coverage under a conversion policy from the Insurer, without giving medical evidence of insurability, to cover Yourself but not Your Dependents.

Insurer, as used for this Conversion Right, means Us or another insurance company which has agreed with Us to issue converted policies according to this conversion right.

You must:

- 1) give the Insurer a written request for the converted policy; and
- 2) pay the Insurer the initial premium;

within 31 days after You cease to be covered under The Policy.

The Conversion Right will provide a converted policy that:

- 1) will have the provisions, limitations and exclusions on the form the Insurer is issuing for this purpose at conversion;
- 2) will provide coverage on a twenty four hour a day basis;
- 3) will provide benefits for Accidental Death and Dismemberment alone;
- 4) will take effect on the date You cease to be covered under The Policy;
- 5) may exclude any condition excluded by The Policy;
- 6) will not pay for any loss covered by The Policy;
- 7) will provide a Principal Sum for You which will be:
 - a) the amount of Your Principal Sum under The Policy on the date of conversion, rounded to the nearest \$1,000, subject to a minimum of \$25,000.00 and a maximum of \$150,000, if You are under age 70;
 - b) \$25,000.00, if You are age 70 or older but less than age 75; or
 - c) \$12,500.00, if You are age 75 or older;
- 8) will have premiums based on the Insurer's rates in effect for new applicants of Your class and age at conversion.

The Principal Sum amounts for Your Dependents who become covered under the converted policy will be the amounts We are offering for this purpose at conversion.

Reinstatement after Military Service: *Can my coverage be reinstated after return from active military service?*

If:

- 1) Your coverage terminates because You enter active military service; and
- 2) You are rehired within 12 months of the date Your coverage terminated;

then coverage for You and Your previously covered Spouse/Dependents may be reinstated, provided You request such reinstatement within 31 days of the date You return to work.

The reinstated coverage will be the same coverage amounts in force on the date coverage terminated and will be subject to all the terms and provisions of The Policy.

STATEMENT OF ERISA RIGHTS

As a participant in the Plan you are entitled to certain rights and protections under the Employee Retirement Income Security Act of 1974 (ERISA), as amended. ERISA provides that all Plan participants shall be entitled to:

1. Receive Information About Your Plan and Benefits

- a) Examine, without charge, at the Plan Administrator's office and at other specified locations, such as worksites and union halls, all documents governing the Plan, including insurance contracts and collective bargaining agreements, and a copy of the latest annual report (Form 5500 Series) filed by the Plan with the U.S. Department of Labor and available at the Public Disclosure Room of the Employee Benefits Security Administration.
- b) Obtain, upon written request to the Plan Administrator, copies of documents governing the operation of the Plan, including insurance contracts and collective bargaining agreements, and copies of the latest annual report (Form 5500 Series) and updated summary Plan description. The administrator may make a reasonable charge for the copies.
- c) Receive a summary of the Plan's annual financial report. The Plan Administrator is required by law to furnish each participant with a copy of this summary annual report.

2. Prudent Actions by Plan Fiduciaries

In addition to creating rights for Plan participants ERISA imposes duties upon the people who are responsible for the operation of the employee benefit Plan. The people who operate your Plan, called "fiduciaries" of the Plan, have a duty to do so prudently and in the interest of you and other Plan participants and beneficiaries. No one, including your employer, your union, or any other person, may fire you or otherwise discriminate against you in any way to prevent you from obtaining a welfare benefit or exercising your rights under ERISA.

3. Enforce Your Rights

If your claim for a welfare benefit is denied or ignored, in whole or in part, you have a right to know why this was done, to obtain copies of documents relating to the decision without charge, and to appeal any denial, all within certain time schedules. Under ERISA, there are steps you can take to enforce the above rights. For instance, if you request a copy of Plan documents or the latest annual report from the Plan and do not receive them within 30 days, you may file suit in a Federal court. In such a case, the court may require the Plan Administrator to provide the materials and pay you up to \$110 a day until you receive the materials, unless the materials were not sent because of reasons beyond the control of the administrator. If you have a claim for benefits which is denied or ignored, in whole or in part, you may file suit in a state or Federal court. If the Plan requires you to complete administrative appeals prior to filing in court, your right to file suit in state or Federal court may be affected if you do not complete the required appeals. If it should happen that Plan fiduciaries misuse the Plan's money, or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor, or you may file suit in a Federal court. The court will decide who should pay court costs and legal fees. If you are successful the court may order the person you have sued to pay these costs and fees. If you lose, the court may order you to pay these costs and fees, for example, if it finds your claim is frivolous.

4. Assistance with Your Questions

If you have any questions about your Plan, you should contact the Plan Administrator. CLAIM PROCEDURES

The Plan has designated and named the Insurance Company as the claims fiduciary for benefits provided under the Policy. The Plan has granted the Insurance Company full discretion and authority to determine eligibility for benefits and to construe and interpret all terms and provisions of the Policy.

Claim Procedures for Claims Requiring a Determination of Disability

Claims for Benefits

If you or your authorized representative would like to file a claim for benefits for yourself or your insured dependents, you or your authorized representative should obtain a claim form(s) from your Employer or Plan Administrator. The applicable section of such form(s) must be completed by (1) you, (2) the Employer or Plan Administrator and (3) the attending physician or hospital. Following completion, the claim form(s) must be forwarded to the Insurance Company's claim representative. The Insurance Company will evaluate your claim and determine if benefits are payable.

The Insurance Company will make a decision no more than 45 days after receipt of your properly filed claim. The time for decision may be extended for two additional 30 day periods provided that, prior to any extension period, the Insurance Company notifies you in writing that an extension is necessary due to matters beyond the control of the Plan, identifies those matters and gives the date by which it expects to render its decision. If your claim is extended due to your failure to submit information necessary to decide your claim, the time for decision may be tolled from the date on which the notification of the extension is sent to you until the date we receive your response to our request. If the Insurance Company approves your claim, the decision will contain information sufficient to reasonably inform you of that decision.

Any adverse benefit determination will be in writing and include: 1) specific reasons for the decision, 2) specific references to the Policy provisions on which the decision is based, 3) a description of any additional material or information necessary for you to perfect the claim and an explanation of why such material or information is necessary, 4) a description of the review procedures and time limits applicable to such procedures, 5) a statement that you have the right to bring a civil action under section 502(a) of ERISA after you appeal our decision and after you receive a written denial on appeal, and 6) (A) if an internal rule, guideline, protocol, or other similar criterion was relied upon in making the denial, either (i) the specific rule, guideline, protocol or other similar criterion, or (ii) a statement that such a rule, guideline, protocol or other similar criterion was relied upon in making the denial and that a copy will be provided free of charge to you upon request, or (B) if denial is based on medical judgment, either (i) an explanation of the scientific or clinical judgment for the determination, applying the terms of the Policy to your medical circumstances, or (ii) a statement that such explanation will be provided to you free of charge upon request.

Appealing Denials of Claims for Benefits

On any wholly or partially denied claim, you or your representative must appeal once to the Insurance Company for a full and fair review. You must complete this claim appeal process before you file an action in court. Your appeal request must be in writing and be received by the Insurance Company no later than the expiration of 180 days from the date you received your claim denial. As part of your appeal:

1. you may request, free of charge, copies of all documents, records, and other information relevant to your claim; and
2. you may submit written comments, documents, records and other information relating to your claim.

The Insurance Company's review on appeal shall take into account all comments, documents, records and other information submitted by you relating to the claim, without regard to whether such information was submitted or considered in the initial benefit determination.

The Insurance Company will make a final decision no more than 45 days after it receives your timely appeal. The time for final decision may be extended for one additional 45 day period provided that, prior to the extension, the Insurance Company notifies you in writing that an extension is necessary due to special circumstances, identifies those circumstances and gives the date by which it expects to render its decision. If your claim is extended due to your failure to submit information necessary to decide your claim on appeal, the time for decision shall be tolled from the date on which the notification of the extension is sent to you until the date we receive your response to the request.

The individual reviewing your appeal shall give no deference to the initial benefit decision and shall be an individual who is neither the individual who made the initial benefit decision, nor the subordinate of such individual. The review process provides for the identification of the medical or vocational experts whose advice was obtained in connection with an initial adverse decision, without regard to whether that advice was relied upon in making that decision. When deciding an appeal that is based in whole or part on medical judgment, we will consult with a medical professional having the appropriate training and experience in the field of medicine involved in the medical judgment and who is neither an individual consulted in connection with the initial benefit decision, nor a subordinate of such individual. If the Insurance Company grants your claim appeal, the decision will contain information sufficient to reasonably inform you of that decision.

However, any final adverse benefit determination on review will be in writing and include: 1) specific reasons for the decision, 2) specific references to the Policy provisions on which the decision is based, 3) a statement that you have the right to bring a civil action under section 502(a) of ERISA, 4) a statement that you may request, free of charge, copies of all documents, records, and other information relevant to your claim; 5) (A) if an internal rule, guideline, protocol, or other similar criterion was relied upon in making the decision on appeal, either (i) the specific rule, guideline, protocol or other similar criterion, or (ii) a statement that such a rule, guideline, protocol or other similar criterion was relied upon in making the decision on appeal and that a copy will be provided free of charge to you upon request, or (B) if the decision on appeal is based on medical judgment, either (i) an explanation of the scientific or clinical judgment for the decision on appeal, applying the terms of the Policy to your medical circumstances, or (ii) a statement that such explanation will be provided to you free of charge upon request, and 6) any other notice(s), statement(s) or information required by applicable law.
